Custom Sublimated Hockey Jerseys

Price: \$\$\$\$ - Weight:      - Durability: ★★★★★

Sublimation is a process where all the ink is printed directly in the jersey. We have over 100 designs that you can choose from or you can send us your own design. The price for sublimation includes all logos & numbers in as many colours as you'd like. There is a minimum of 12 jerseys.

Sublimation is generally recommended for teams that want a creative design or that want a few different logos on the jerseys. Price depends on a few different factors but they will generally cost between \$80 and \$100 per jersey including shipping & taxes. For more information use the [quote request form](#) on our website and simply mention in the comments section that you're inquiring about the custom sublimated hockey jerseys.

Below are a few examples of custom sublimated jerseys, socks and pant shells.
